AMEND Senate Bill No. 3407

House Bill No. 3523*

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 47-18-103, is amended by adding the following as a new, appropriately designated subdivision:

() "Covered file-sharing program" means a computer program, application, or software that enables the computer on which such program, application, or software is installed to designate files as available for searching by and copying to one (1) or more other computers, to transmit such designated files directly to one (1) or more other computers, and to request the transmission of such designated files directly from one (1) or more other computers. "Covered file-sharing program" does not mean a program, application, or software designed primarily to operate as a server that is accessible over the Internet using the Internet domain name system, to transmit or receive email messages, instant messaging, real-time audio or video communications, or real-time voice communications, or to provide network or computer security, network management, hosting and backup services, maintenance, diagnostics, technical support or repair, or to detect or prevent fraudulent activities;

SECTION 2. Tennessee Code Annotated, Section 47-18-104(b), is amended by adding the following as a new subdivision:

(46)

(A) Installing, offering to install, or making available for installation, reinstallation or update a covered file-sharing program onto a computer without being an authorized user of that computer or without first providing clear and conspicuous notice to the authorized user of the computer that the files on that

computer will be made available to the public, obtaining consent of the authorized user to installation of the program, and requiring affirmative steps by the authorized user to activate any feature on the program that will make files on that computer available to the public; or

(B) Preventing reasonable efforts to disable or remove, or to block the installation or execution of, a covered file-sharing program on a computer.

SECTION 3. This act shall take effect upon becoming a law, the public welfare requiring it.
